## **Programs**

The Fairborn Drop In Center hours:  
Monday, Wednesday, Thursday & Friday 9:00 am—4:00 pm

The center has breakfast and lunch daily. The center has a NAMI connections group that meets every Wednesday. The center also has a computer lab with access to the internet. We have art classes taught by consumers. We have music appreciation days where consumers are welcome to bring in their instrument of choice. The Fairborn Drop in Center has even formed a band, called “The Lighthouse Band”, that has traveled to nursing homes and other community events to play for the public. We also have activities throughout the year.
