National Alliance on Mental Illness

Membership

Joining the local NAMI affiliate will not only keep you connected in your community, but you will also become a member of NAMI Ohio and NAMI National. You will receive the valuable newsletter from each group. NAMI Ohio's "*News Briefs*" is packed full of information from all over the state regarding legislation, community activities, and heart warming stories of recovery and triumph of mentally ill in Ohio. "*The Advocate*" is NAMI National's publication that takes the issues and concerns of family members and consumers alike, and brings them into the national spotlight. There are facts and helpful information regarding new research and continued advocacy movements that are happening throughout the United States.

Membership Levels:

\$25.00 – Individual/Family membership

\$50.00 – Professional/Organization membership

We also have an open door membership policy here at NAMI of Clark and Greene County that makes joining available to any individual or family wishing to have the dues waived or any amount comfortable for their budget.
