

Attention NAMI members

As many of you may already be aware, our Executive Director, Sharon Woolf, has been out for serious surgery for the past three weeks. As it stands now, she will be on sick leave for at least an additional 6 weeks. This has left NAMI in a position where we have decided to postpone the annual holiday party to a later date. We are hoping that Sharon will make a quick recovery and be back to 100% soon.

Please have a happy holiday season, and we will be in touch with you as soon as we have more information. If you have any questions, please call the NAMI office at 937-322-5600. Thank you
