Pathways for everybody, every family.

MISSION, VISION, AND CORE VALUES

MISSION

We lead by serving diverse communities and promoting pathways to mental health and substance use prevention, treatment, and support for everybody and every family across Clark, Greene, and Madison Counties.

VISION

We strive to create and improve pathways to equitable, quality services so everybody and every family have opportunities to lead healthy and fulfilling lives.

CORE VALUES

- **Trustworthy.**
 - We strive to help clients and families be safe and have enough trust in our communities to ask for help.
- **Accessibility.**
 - We prioritize approaches that make it easier for people to readily attain quality services when, where, and how they need it.
- **Servant leadership.**
 - We strive to help others, emphasizing their needs and growth opportunities, by dedicating our expertise and resources to support resilience and promote wellness.
- **Accountable.**
 - We are accountable to each other and to the communities and individuals we serve.
- **Behavioral health equity and inclusion.**
 - We acknowledge deep-rooted inequities and structural racism within the behavioral health system and aim to address these inequities by valuing and respecting diversity, advocating for parity, reducing stigma about help-seeking, and by examining local policies and practices.
- **Transparent.**
 - We are open and accessible in fulfilling our responsibilities and transparent about our decision-making processes.

- **Person-centered.**
 - We recognize that people are remarkably resilient and can guide us in serving their needs.
- **Collaboration.**
 - We are dedicated to continuing to improve outcomes for those we serve by cultivating communication, teamwork, and mutually reinforcing activities with our partners regarding our shared goals.
- **Stewardship.**
 - We are good stewards of local, state, and federal resources and make responsible, ethical, and sustainable decisions.
- **Responsive.**
 - We advance a nimble system of care that anticipates the prevention, treatment, and recovery support needs of our communities.
